

## The Big Kaboom Launches the Divorce Angel Fund

**MIAMI, FL – 4/12/16:** The Big Kaboom, a provider of divorce support services, announces the creation and financing of the Divorce Angel Fund. The fund provides financial support to underprivileged women during their divorce.

“Today, women of limited economic means in Miami-Dade County face many challenges when it comes to getting divorced”, commented Carlos Blanco, the company’s founder. “Given the nature of our business, we see firsthand how often disadvantaged women are forced to remain in broken marriages because they cannot afford to file for divorce.”

The Family Court Self Help Program provides packets containing all forms necessary for divorce and other family court matters, for a fee. The challenges with this program are the cost of the packets and the time required to visit the courthouse in order to receive assistance with the completion of forms.

To overcome these challenges, The Big Kaboom created The Divorce Angel Fund. As part of this initiative, The Big Kaboom works with local family law attorneys and paralegals for the completion of the legal documents required for a divorce filing. The fund provides the money to program recipients for the payment of their legal fees.

The Divorce Angel Fund is exclusively financed by The Big Kaboom. To increase the fund's reach, The Big Kaboom anticipates the conversion of the Divorce Angel Fund into a non-profit in the near future.
